

THREE POINT SUMMER 2017

Friendship – Justice – Learning

ZETA THETA A CHAPTER

Summer 2017 was the busiest and most successful semester in recent memory for Zeta Theta A. With the house nearly at capacity with forty-five brothers, it is safe to say there was always something happening. Let us do our best to recap all the action that took place on 704 E. Main over the last three months...

To foreshadow, our chapter was well represented at the Greek Wide Semi Formal this year on September 15th. We received three of the top awards for the night, which included the IFC Philanthropy Award (most charitable funds raised), IFC Involvement Award (most brothers involved in campus organizations) and IFC Risk Management Award (best risk management plan).

Our reputation on campus as the top house only continues to grow, and we strive to not only defend, but also add to those awards in the future.

We would also like to bid farewell to our fifteen graduating seniors this term, who have left a lasting legacy on our chapter and campus. It is now up to the remaining brothers in the house to step-up and fill the voids left by these admirable men.

Congratulations again graduating seniors!

On July 29th, we hosted our annual Semi Formal in Windsor, Ontario. This is where our yearly sweetheart ceremony takes place, in addition reconnecting with alumni both young and old. The evening began with photos on the Canadian riverfront (with the Detroit skyline in the background of course). After photos, we all voyaged to Enzo's Trattoria in downtown Windsor to enjoy bountiful meal and sweetheart unveil. Brothers and guests then explored the Caesars Casino and other Windsor nightlife with full stomachs of Italian cuisine

Our chapter is pleased to announce that Bethany Schira (Alpha Sigma Alpha) is the sweetheart for PC'18! Congrats Bethany! We know you will do a great job!

Our chapter decided to up the ante this year and aim for the 20K Club. Naysayers said this goal was ambitious at a small school like Kettering; however, dedication and persistence to a greater cause (Huntsman Cancer Foundation) proved that leaders of men are able to conquer Goliath-esque obstacles.

We started the term with a charity golf outing at Flushing Valley Country Club just down the road from the house. We were pleasantly surprised with the alumni turnout and enjoyed a beautiful day on the course. Congrats to Brother Fernando Garcia and his family on 1st place!

We kicked off our Derby Week a few days later with a school-wide presentation from HCI Researcher Dr. Mohan Kaadige titled "From Gene Discovery to Precision Prevention, Tailored Cancer Therapies and Survival". Nearly one hundred students attended. We believe Dr. Kaadige's presentation clearly articulated to the Flint community why Huntsman is Sigma Chi's preferred philanthropic organization and it resonated with potential donors.

From there, we hosted daily lunch and evening activities on campus and out the house. Some of the most popular were the 5K Derby dash, "Make Me Pretty", Pie a Sig, Fight Night, Gross Smoothies, and a Brotherhood Service Auction.

Beginning Friday night, we worked with Jack's Place and Cops and Robbers for unlimited bowling and an ice cream Scoop-a-thon, respectively. We also received various donations of products and services from local businesses for our silent auction and raffle items. Some of these companies even bought advertisements on the back of our Derby shirts too.

Once all the funds were collected and costs paid out, we were left with over \$19k in hand, making us a virtual lock for the 20K Club for 2017-2018. With some fall events planned already, we expect to break the 20K threshold very soon.

There were many acts of brotherhood that happened throughout the term that made us closer as a brotherhood. They ranged from random Tuesday night spur-of-the-moment all the way to full-fledged Brotherhood Weekend. Despite how long or short the activity, these memories will last us a lifetime!

First off, Brother Witucki was generous enough to invite us back to his cabin on Lake Charlevoix for Brotherhood Weekend. Activities consisted of tubing, waterskiing, cruising the speedboat, camping in tents, and enjoying an up north bonfire. Thanks for having us, Rick!

Next, our chapter was well represented at Brother Virost's Wedding on August 19th. Congrats to Paul and Brooke on tying the knot!

The Brotherhood chairs challenged us with a Bro-Olympics towards the end of the term; this included a comprehensive round robin tournament of pong, super smash bros, and euchre. Even though it was technically a competition, it ended up being all for fun and everyone had a great time.

ZETA THETA CHAPTER

Brothers,

Final recap from our last update, the garage the project is just about wrapped up. A and B section now have their own storage units, and the final touches is the work bench along the East wall of the garage. The functionality and sheer appearance is 'night and day' difference compared to the old garage. Allowing ease and security of the sections items year round, and right in their backyard.

Onto The Next Adventure....

The next project that's 'on deck' is the kitchen area. The good thing about this area is due to the quality of some of the kitchen furniture, a lot of it will be able to be reused. The main focus will be to freshen up and organize the area. The House needs your help to make this effort happen. The garage used the funds that we have saved from the recent donations. We appreciate any help you can provide.

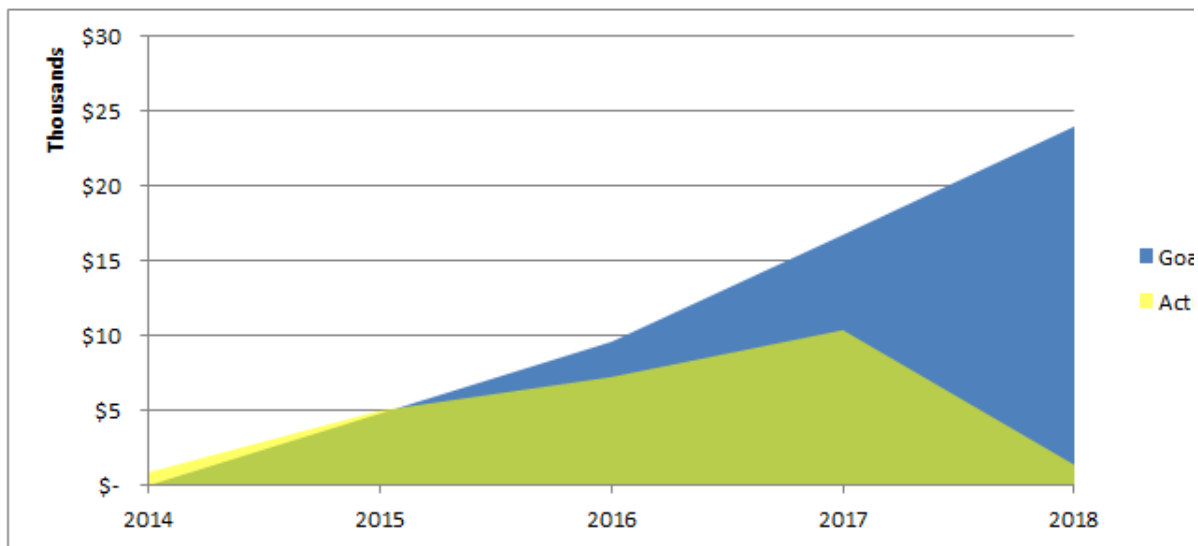

Change of the tide.

The competition has been led for over a year by PC10 (B-Section) which only has a class of 2 members. With some recent renewals there has been a change in the competition. PC03 (B-Section) has now taken the lead. There are a number of classes that are all within reach, and any class could get into the race if you coordinate.

Competition brings us together for the cause!!

Though we are quickly approaching the 55th Anniversary, there is still time to get involved in the competition. Rally your class to get involved and give back. It only takes one person from the class to get the initiative started. Remember, full class participation is the key. The more of your class is participating, the higher the score. Even if you have a small class there is a chance.

To support the efforts, please go to <http://ztsigs.org/ztf/donate/>

Remember what's at stake.

- Free Admission to the 55th anniversary including a guest – For donors of the winning pledge class only
- During the anniversary, a special program dedicated to the class including bios, and where they are now.
- A plaque that will be hung in the Chapter room, displaying the names of the class

As always come see what's new at the house, and take a look at all the hard work that these young men do every day at school and in the community.

Holidays

As we head into the holiday season, we hope you and your families the best! Enjoy the time with your families, and hopefully you will get the chance to catch up with some of your fraternity brothers.
