SIGMA CHI
ZETA THETA - B

Consul's Corner

Worthy Brothers,

As we come to the close of yet another successful term, I am both satisfied with Zeta Theta B's achievements and excited for what's to come in the Spring. Arguably the greatest of these achievements was the offering of bids to prospective new members to pledge our chapter in the Spring of 2018. It is thrilling to see the prospective members of PC18 begin to come together as a class, and the chapter looks forward to their continued development.

Although numbers are lower than in years past, the Zeta Theta B brotherhood remains strong as we continue to attack the goals we have set for ourselves. Two such goals are philanthropy and community service, where we have pledged to surpass our totals from the 2016-2017 year. The brotherhood currently sits at approximately \$4,200 raised for the Huntsman Cancer Institute and 1,350 hours accumulated at community service events. This success can attributed to events such as our 45th annual Haunted House and help with the annual Flushing Candlewalk. Both as a Consul and as an active brother, it is reassuring for me to see the continued dedication of every brother for the causes and values we represent. It goes to show that while numbers may fluctuate, it's the selfless attitude of individual brothers that help this chapter and fraternity thrive.

Last but certainly not least, our chapter bid farewell to 10 fantastic alumni at the end of this term. The graduating class included the entirety of the last Top 5, and all graduating seniors accepted job offers prior to the end of the term. Zeta Theta B wishes our new alumni the absolute best in the next chapter of their lives. This marks the true end of an era in the house, and I look forward to watching the next younger classes continue to fill the leadership roles the house has to offer.

Overall, I am ecstatic about what this term brought to the chapter and am determined to carry our momentum into the Spring. Along with the new year comes new opportunities for philanthropic involvement and alumni engagement, namely through our 55th Anniversary. We hope to hear from many of you as we continue our journey towards being the best we can be.

In Hoc Signo Vincas,

Andrew Prina

Consul 2017-18

Recruitment Update

This Fall term has marked another successful Zeta Theta B recruitment term. With outstanding brotherhood involvement throughout the entirety of the term, we were able to recruit and extend bids to 20 young men who proved to be worthy and clearly the best men on campus. Each of these 20 bids were accepted the first night that bids can be accepted. This night was a very proud moment in the history of the Zeta Theta B chapter of Sigma Chi. We believed the main factor that allowed us to be successful this term was updating some of the past recruitment events, with the most effective being moving circle drive football to Atwood. In years past, we have had declining numbers at this event, so we decided to move it closer to the school and found this to be very successful with excellent attendance. Now, our main focus as a chapter is to make sure that we retain all of our bid acceptees throughout the winter work term and into pledging. Our brotherhood is working to plan events over work term to keep the bid acceptees involved with brothers. We look forward to handing all 20 of these guys over to our Magister, Nicholas Mitchell in the Spring of 2018.

In Hoc Signo Vincas,

Will Houtman('19)

Recruitment Chair

Philanthropy Update

This term has been a productive start to the year for philanthropy, netting over \$4,000 dollars; \$1,500 coming from "Haunted House". We decided to raise our Huntsman goal to \$20,000 and we have every bit of confidence that the brotherhood will come together to accomplish this goal. Looking forward, we plan to revamp the Troy Bowling Event, making it more family friendly and thus even more successful. Derby Days is looking at a whole new makeover to gain more interest and participation from the campus and community. Future events looking at being implemented in the Spring is a color run 5k through Flushing, a parents/faculty night, and a car wash. As these events come to fruition, the brotherhood and this philanthropy team will continue to strive to be the generation to end cancer.

In Hoc,

Sam Geiser ('20)

Philanthropy Chair

Logan Snider ('21)

Assistant Philanthropy Chair

Project Manager Update

Project weekend this Fall was productive as always. The construction of the garage was completed before we arrived for school term, and we needed to complete the storage area dedicated to B-section. Brothers worked to build shelving in the storage area while others purged and emptied our off-site storage unit. Upon completion of the shelves, we were able to successfully store all our belongings in the new storage area and eliminate the need to rent space. Brothers also built a new table to replace the one in the TOS as it had worn out over the years. After it was completed, Nicholas Tuttle and Logan Snider put an awesome paint job on it. Many other small projects were completed to keep the house at its full glory. We're looking forward to coming back for Spring term and making further improvements to the house.

In Hoc,

Trent Haigh ('21)

Project Manager

Public Relations Update

The first half of the 2017-2018 year was extraordinarily productive regarding the service efforts of our chapter. Over the course of the summer work and fall school terms, there were 15 organized community service events which the brotherhood participated in. Many brothers have gone above and beyond and become heavily involved in the community through on-campus organizations as well as participating in the events we have as a brotherhood. In total, our chapter's efforts have yielded 1450 hours of service in both Flint and Flushing communities, as well as individual brother's local communities. This comes out to an average of 37.18 hours per brother. We continue to make strides towards an equal distribution of hours amongst all brothers. 36 of our brothers have over 10 hours of service, 24 of which have over 20 hours over these past two terms. I am looking forward to expanding our reach in the community more than it already has, whilst continuing to make a positive impact on the Flint and Flushing communities alike. We will strive to take this momentum with us into the 2018 spring term where we will continue to achieve more hours of service than Kettering University as a whole.

In Hoc,

Thomas Eschelbach ('20)

Public Relations Chair

Scholarship Update

Last Spring, the Zeta Theta B chapter continued the upward trend of academic growth, raising our cumulative GPA to 3.24. We will analyze our academic position among other Greek Life houses come Spring 2018 when the University releases these statistics. Throughout the term, our house crib drive was continuously updated with old tests and quizzes received from members and non-members. Over the work term these files will be organized and counted, and the search for more cribs will continue. In terms of brothers on academic probation, I urge the house to extend their help for the betterment of the individual and the house. Moreover, it's our hopes that all 20 bid acceptees will make grades for next term, and we will continue to work closely with them academically as pledging begins in the Spring.

In Hoc,
Jacob Leto
Scholarship Chair

Involvement Update

Brothers of the Zeta Theta B Chapter are involved in almost every organization on Kettering's campus. More than 75% of Brothers contributed to this year's involvement in the campus' organizations. The Zeta Theta B Chapter would like to recognize Adit Agrawal for being involved in six key organizations at Kettering University. Adit not only is very invested on campus but has a outstanding grade point average. Below are the lists of organizations that brothers are involved in:

<u>Organization</u>	<u>Brothers Involved</u>
Habitat for Humanity	Cory Fedewa - Project Manager Harschal Patel - Secretary Jacob Furtney - Vice President Logan Snider

Graduating Seniors

This term 10 outstanding Sigma Chi's graduated. Each and every one of them left a unique impact on this house with their many different temperaments, talents, and convictions. They will truly be missed in the future by all of the current undergraduates but their legacy lives on through us. Congratulations to these fine gentlemen and may they continue to have success in the future. Below are the graduating seniors and info on them as they enter work term eternal.

ZETA THETA CHAPTER

Brothers,

It saddens me to say that our fellow Kettering Students at Sigma Nu experienced a terrible situation a few months ago. Their chapter house located on the corner of Flushing and Elms caught fire on the night of November 21st, due to an electrical issue that started in the attic. The house was originally built in 1920's, and like our house had been the home to hundreds of their brothers and made many fond memories for them all to share.

Our Zeta Theta brothers have stayed in contact and continue to offer support wherever possible to their chapter. House Corp. had made a donation to their GoFundMe page, and has reached out to several members of their organization and House Corporation. The University has also reached out, and housed the 13 students that were living in the house, now moved them into the dorms.

It is times like these which show how strong our small school and community can be, bonding together to overcome The unthinkable.

If you would like more information, or would like to reach out directly please contact me on my cell or email information below, and I can pass info along to you. (586.216.5395) and lance.wildman@gmail.com

Save the date

The 55th anniversary is right around the corner. The date for the event will be on Saturday September 15, 2018 and will be held at the Holiday Inn Gateway Center in Grand Blanc Michigan. Finalized plans and additional activities are being planned and additional information will be available shortly. As always we will be getting together Friday (14th), downtown Flushing. Feel free to bring your significant other to join in on the fun and experience the full out brotherhood that will taking over the town. We are all looking forward to the event this year, I know the undergrads always enjoy hearing all the stories from the alumni brothers and show off all the work they have been doing to make Sigma Chi the best fraternity at Kettering/GMI.

1855 Club and NFI Subscription:

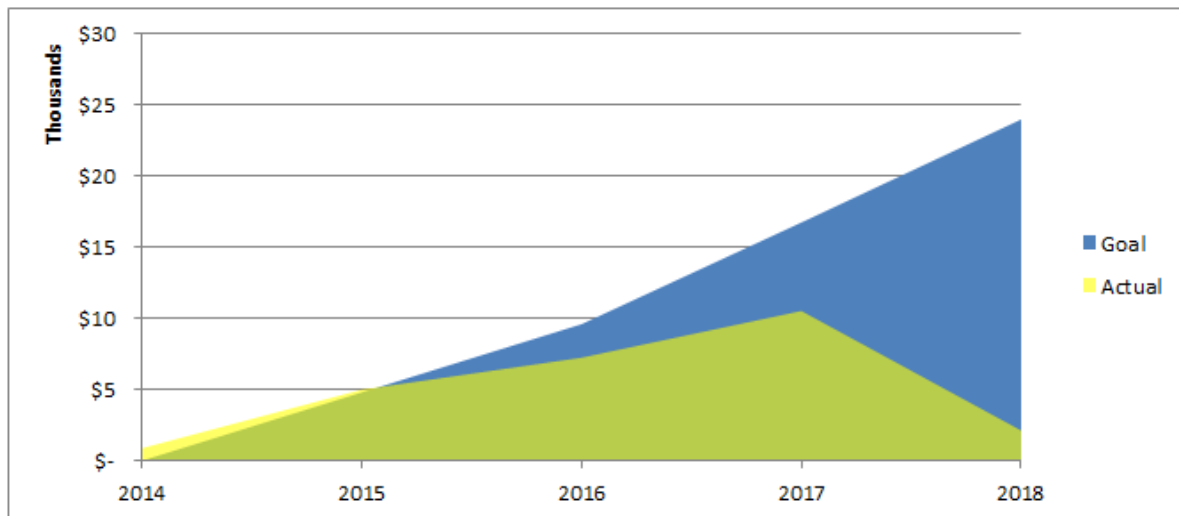

We have added a couple of new subscriptions available for anyone wanting to donate, young or old. The first of the two new options is the 1855 club, which has a \$18.55 a monthly donation. The other is a Newly Fraternal Initiation (NFI) Subscription which is a \$10.00 monthly donation. We are hoping to gain more interest in donation, as these are more affordable monthly donation values. Remember that the money raised will go towards our last scheduled improvement before the anniversary, which has targeted the Kitchen area refresh. With your help we hope to start this work this summer.

Remember with the current \$25-\$100 monthly donations you still get a gift card from Sigmahgear.com for the value of your first month. This is a gift you will received at the end of your twelfth month donation, and is a way for us to say thank you for continued support to Zeta Theta.

We finished the year at \$10,536; which was 63% of our goal. This was a strong finish but we have a larger task for 2018. The goal for next year is \$24,000. In order to achieve this task, we need deep support from our alumni base. To put it into perspective, if we maintain our current donation base, we would need to add 60 more brothers contributing at least \$25 a month. I believe that this is within our grasp, let's start 2018 with a bang! As always, thanks for the support. We are fortunate to have such great alumni that support the active brothers school and housing requirements.

If you would like to contribute to any of these subscriptions please see the link below.

To support the efforts, please go to <http://ztsigs.org/ztf/donate/>

With your donation you will get the following:

BLUE	👤	\$25 for 12 months - \$50 gift card
GOLD	👤	\$50 for 12 months - \$100 gift card
WHITE	👤	\$100 for 12 months - \$200 gift card

'17 Q4 Donor Spotlight:

John Jackson PC '70

2017 Goal: \$16,750

Final amount raised for 2017: \$10,536

63% of goal

2018 Goal: \$24,000

Leading Pledge Class:

PC-03B

Remember what's at stake.

- Free Admission to the 55th anniversary including a guest – For donors of the winning pledge class only
- During the anniversary, a special program dedicated to the class including bios, and where they are now.
- A plaque that will be hung in the Chapter room, displaying the names of the class

As always come see what's new at the house, and take a look at all the hard work that these young men do every day at school and in the community.

We wish you and your families a very Happy and Prosperous New Year!
