

# Three Point Winter 2022

## *Friendship - Justice - Learning*

### Zeta Theta A Chapter

As the winter 2022 term ends and spring begins, let us reflect over the past term, what we got done, and the fun we had.

The first three weeks of the term were virtual due to COVID-19. Despite the rough start we were able to bounce back and have a great, productive term.

Great progress was made in Philanthropy and we were able to welcome some new members as well.

This winter a new top six was elected which is as follows:

Consul	Max Gatza
Pro Consul	Gavin Lupo
Quaestor	Ehren Mroczek
Magister	Andrew Northrup
Recruitment Chair	Jason Thomas
Risk Manager	Ben Ng

We are all excited to see what this new top six is capable of.

Lastly, we wish our two graduating seniors, Balin Shrivastava and Brandon Gollan the best as they begin their careers.

Now, we look forward to the summer term and all that it has in store for us.

# Brotherhood

The Sigma Chi Zeta Theta A chapter had 30 active brothers as of the winter 2022 term. In this time, we added 7 new members to our roster. The chapter focused on improving brotherhood through our values of courage, wisdom, integrity, high-ambition, self-control, courtesy, and fidelity.

Several events were held over the course of the semester to help encourage brotherhood bonding. During the Super Bowl, brothers got together to cheer on their teams together and socialize. We also competed in volleyball this intramural sports season.

For brotherhood weekend, brothers focused on developing close-knit relationships with each other. A group of brothers took a trip to New York together, other brothers stayed at the house and did various activities there.

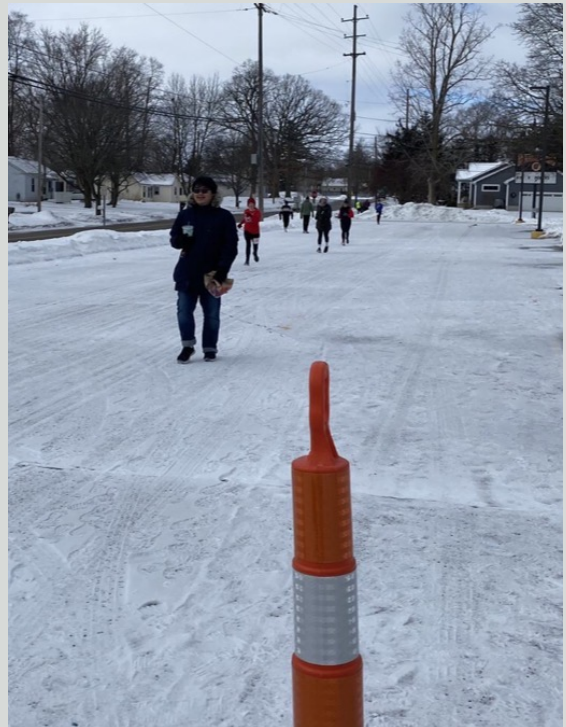

We also had plenty of campus involvement this term. Two of our members, Robin Pelayo and Andrew Northrup, competed at the international DECA competition in Maryland and we had many brothers involved with the Ski Club this term including several members on the executive board.

# Philanthropy

Coming off of a great summer term with \$11,000 raised in donations and 400 service hours, there was a pretty good foundation to build off. With the leadership of Brother Gollan as Philanthropy Chair, the combined total for both terms came out to be \$13, 420.69, along with 438 community service hours completed in these three short winter months! Key volunteering events included directing runners in the Shillelagh Race in downtown Flushing, with the majority of the house participating, and the very similar Sweetheart Run. It was great to see so many young men giving back to the city of Flushing. The key donation event this winter was a brotherhood hosted livestream lasting 24 hours. We saw huge success in the philanthropy area this term, and a huge thanks to all of the brothers who contributed to make it happen.
